

BONNIE MARIE WILLIAMS

VOICE ACTOR, PODCAST HOST, PRODUCER

**"SHE'S SO FULL OF CHARACTER,
SHE NEEDED A SECRET IDENTITY"**

With over 25 years of experience spanning stage, screen, and voiceover, Bonnie has voiced for heavy hitters like Marvel, Pokémon, and Nintendo. When she's not in the booth or producing and directing projects, this Voiceover Superhero is likely fueling up on iced coffee, attending comic con, or living out her horror "Final Girl" dreams.
